Grading

- Projects: 4 x 15%, Report: 10%, Quizzes: 3 x 10%.
- Every student must submit the project to the Ninova system individually, even if the submission is identical with other group members.
- Conditions for not failing with VF:
 - 70% attendance (5/7 lectures)
 - at least 20/100 on 3 projects
- Students with overall average under 40/100 will fail.

Important Notes

- You can follow the course announcements, your exam results and attendance status on

the Ninova system (<http://ninova.itu.edu.tr/>). Check the Ninova site regularly for updates.

- Course related e-mail notifications will be sent to your ITU account, check it regularly.
- When sending e-mail to the instructors or assistants, use your ITU account and always include your full name at the end of the message.
